

## WELCOME

Welcome to the eRailsafe Canada open enrollment for Canadian National and Canadian Pacific railroads. You have been selected as a preferred vendor which ensures that you will move quickly through the eRailsafe Canada subscription.

An enrollment packet is included with all necessary information and paperwork to be completed prior to your enrollment date. In order to move through the process and begin entering your personnel into the system, the following information will be required at the time of enrollment:

### Documents Required:

- eRailsafe Canada signed Subscriber Agreement (included in packet)
- Spreadsheet capturing names of all vendor employees and contractors (included in packet)
- Signed consent forms for each employee and contractor (included in packet)
- Copies of 2 forms of government ID for each employee or contractor

If you have any questions concerning the enrollment process please send an email to [enrollment@erailsafecanada.com](mailto:enrollment@erailsafecanada.com), and one of our expert support personnel will gladly assist you.
